

TIES

Thematic Investigation, Exposition and Synthesis

The Synthemic Essay Permission Slip

Purpose:

To provide the student with opportunities to read independently, study several related sources, examine common themes in varied works, synthesize content from those works, extend ideas from primary and secondary sources, use the internet as a research tool, articulate the purposes and differences of different forms of literature, compare the presentation of a universal theme across genres, and write a complex and effective response to literature.

California Language Art Standards: Reading: 2.4-2.6, 3.1-3.3, 3.5, 3.7
Writing: 1.1-1.7, 2.2, 2.3a, 2.3b

I, _____, allow my student, _____, to view, read, or

listen to all of the elements of the **TIES** set entitled _____.

If I have any questions, I know I may read my student's handouts which describe the **TIES**

assignment in great detail or contact Mr. Campbell at tim_campbell@nhusd.k12.ca.us.

There may be some cost for some of the elements, and I know students will be required to search through online sources to complete this assignment. Also, some of the sources may contain some adult content, and so I have made sure none of the materials in the bundle are objectionable to me.
